<section id="about">
Who we are <h2>Technology with purpose. Innovation with impact.</h2>
Smart Home AI Builderz is an emerging technology and innovation brand focused primarily on artificial intelligence, supported by smart-home concepts, automation, and technology-led building solutions.
With an international outlook spanning the United Arab Emirates, the United States, and global markets, we aim to develop practical ideas and intelligent digital experiences for a changing world.
Our direction <h3>AI is our primary focus.</h3>
Build useful AI-powered products, assistants, and software.
Explore automation that simplifies everyday tasks and business workflows.
Connect smart-home experiences with intelligent technology.
Explore innovation in modern buildings and connected environments.
</section>
<section class="dark" id="solutions"> What we do <h2>Four connected areas of innovation.</h2> Our work is organized around a primary AI practice and complementary technology areas.

<article class="card"> ✧ <h3>AI Innovation</h3> AI-powered applications, intelligent assistants, agent workflows, automation, and digital product development. </article>
<article class="card"> ⌂ <h3>Smart Home Technology</h3> Connected living concepts, intelligent lighting, home automation, and integrated residential experiences. </article>
<article class="card"> ▦ <h3>Smart Construction</h3> Technology-led building concepts and intelligent solutions for residential and commercial spaces. </article>

<article class="card"> ◎ <h3>Digital Innovation</h3> Software, digital platforms, emerging technologies, and practical tools that help organizations evolve. </article>
